## Meet The Seniors

MERLE LEE WELLER  
General Course  
Basketball . . . . . 1, 2  
Dramatics . . . 1, 2, 3, 4  
Annual Staff . . . . . 3, 4  
Hobby Club . . . . . 2

Model cars are his hobby  
And you'll find him never snobby.  
When his Nash is running right  
Merle's face is always bright.

EFFIE JANE SHELTON  
General Course  
C. C. H. S. . . . . 1, 2  
Salutatorian . . . . . 4  
Volleyball . . . . . 4  
Softball . . . . . 4  
Dramatics . . . . . 3, 4  
Annual Staff . . . . . 3, 4

Happy go lucky and friendly is she  
Always laughing and full of glee  
Someday she'll marry and settle down  
Jane'll raise her family without a frown.

SHIRLEE ANN MOORE  
General Course  
Valedictorian . . . . . 4  
Volleyball . . . . . 4  
Softball . . . . . 4  
Dramatics . . 1, 2, 3, 4  
Annual Staff . . . . . 3, 4

She's valedictorian of the class  
Seldom do you hear her sass  
Shirlee's heart is young and gay  
Since Bud has taken it away.

## Class Will

We the Seniors of Archer High, class of 1952; being of sound mind and body, do hereby will and bequeath the following:

To the incoming Freshmen we will our ability to get to school no earlier than five minutes until nine o'clock.

Hank wills Lena her ability to keep still.

To Patricia Miller, Shirlee wills her ability to finish school.

To Phyllis, Jane wills her ability to talk to Bill Luebbe.

To Ken L., Merle wills his ability to ditch "Hero" Gibson and "Governor" Martin, also "Skunks".

Merle wills Perry his Nash Rambler so he (Perry) can go get Alice Polansky.

To whom it may concern, we will Shirlee's ability to write letters.

Shirlee wills Elnora her figure.

Merle wills Bill S. his ability to pick up all of the girls in Central, but hopes he has better luck getting rid of some of them.

Merle wills Darlene all of his time with Harold P. and Orville B.

We the Seniors will Ruth a new Ford so she can go see Leslie.

To Jo, Merle wills his gasoline barrel so she can go see Neal more often.

Jane wills her wasted years in Central to Joanne.

Merle leaves to Mr. Zichek, next winter, his new convertible when he is through with it.

Merle wills Bill his ability to get in early.

The Seniors will Mrs. Bass all of our courage since it is leap year.

To Janet we will Keith's ability to attract Donnie Hull.

We will Elaine a servant so she doesn't have to run home from school everyday to get dinner for her kids.

Hank wills Carol her ability to use knives without cutting herself.

Shirlee wills Patty her ability to give letters she doesn't want to someone else.

## Class History

The year 1948 found five green Freshmen entering Archer High to be polished into three dignified Seniors graduating in '52. They were Shirlee Moore, Glenn Schwarz, Roger Van Pelt, Merle Weller, and Dwight Bornemeier. Our Sophomore year found the same group with the exception of Swight who joined Central City's Sophomores. Later the same year in March, Jane Shelton moved to Archer and our group became five once more. Just three of the Sophomore five came to make up our Junior year, as Bleen and Roger went to Palmer. We started and finished our Senior year with a big bang; the ~~same~~ Junior three.

Shirlee was born in Aurora in 1934 and later moved to Archer, where she started school in 1939 and entered high school in 1948.

Jane was born near Clarks in 1935 and started school at District 18 in 1942 and went there except for three years; those which she finished at District 19. She started her high school years at Central and went there for nearly two years, finishing her second year at Archer, where she finished her high school.

Merle was born near Palmer in 1934. He attended elementary school at District 47 entering in 1939. He, like Shirlee entered Archer High School in 1948 where they stuck it out for four years.

## From Diapers--To Diplomas

## Senior Class Prophecy

In mid October, 1960, I went to Denver to attend the presidential campaign. While there I decided to take in a few sights. I started by attending the football game between Denver University and Nebraska Central College. I noticed the head cheerleader for Denver University was Merle Weller. He is still very active and nimble. While visiting with some other spectators I was told that he is majoring in Agriculture and Musical Composition. He got interested in composing music while typing for a chaplain while serving Uncle Sam.

After the football game, won by Nebraska Central College, I went to the Art Studios where I saw Mademoiselle Jane Shelton. She was teaching ballet dancing to her very interested students. They, like their teacher, were very graceful. After the last class, we spent the evening together in her lovely apartment. She must be taking in quite a sum of money to have such a nice apartment, or is it just the alimony from her second husband?

The next morning I decided to visit the mint. I went to see the personnel about going through the mint and who should I meet but Mrs. Bud Hawthorne, the former Shirlee Moore. She told me that Bud was home watching their children. Their children amuse themselves by playing with the uncoined silver blocks. She told me that she enjoys married life and her work at the mint very much.

One o'clock found me witnessing the president's campaign. Who did I see in the background but the president's chief advisor on politics and the country's financial director, Mr. Melvin E. Zichek, our old school superintendent. He was looking well although he has very little hair on his head and has gained noticeable pounds. Here I stand staring at Melvin and everyone has gone so I guess I will have to leave too.

## The Senior Hay Ride Party

The Seniors started the school year off with a bang by giving a hay ride on September 26, which fell on a Wednesday. We allowed each person to bring a guest which seemed to be okayed by the student body as the biggest share of them took advantage of it. Bill Luebbe furnished the hayrack and the tractor and acted as our chauffeur. We wound up a mile west and about 2 miles north of Palmer on a sandhill road. We served punch, marshmallows, potato chips and yum-yums for refreshments. We found our way back to Archer without any hardships after the mixed directions in Palmer.

Lena: Don't ever kiss me that way again.  
Dick H: Sorry--A mere slip of the tongue.

BILL LUEBBE

PATRICIA MILLER

JOANNE BASS

## ***The Juniors--Cocky and Confident***

During the year the five of us have accomplished three big things. We gave a Coney Island Carnival in January at the school house at which we cleared \$52. Next we entertained the Seniors and teachers at the annual Junior-Senior Banquet. This we did in April at Grand Island. Last of all we gave a hayrack ride to the rest of the high school and the eighth graders. We did this at the end of the school year, in May.

## ***The Junior Class Hay Ride Party***

On the night of May 9, 1952, which was a very bright night with a full moon, a full hayrack of kids was found on a rough country road. Bill L. was driving with a little help. The night was nice so we didn't have to use a "tarp" and a few faces could be seen here and there. Now and then you would see flashes of a camera bulb. Too bad they couldn't be put in the annual.

A light lunch, of the usual food was eaten down by the river.

On the way home some sang, dozed and o-o-hhhhh!! A good time was had by all who survived.

## ***Junior-Senior Banquet of 1952***

The Juniors entertained the Seniors and teachers at a formal banquet at the Palmer Hotel in Grand Island, Nebraska, on April 15, 1952.

The theme of the banquet was "April Showers Bring May Flowers." Everything was decorated in keeping with this theme.

The Seniors' will, history and the prophecy were read.

We attended a show following the banquet.

## ***Laft Lines***

Little Billy feeling smart  
Tore Lawrence's watch apart.  
He should be punished for his crime  
But Lawrence doesn't have the time.

Ruth: A tomato, some lettuce and a pail of water had a race.

Elaine: Who won and how did they place?

Ruth: The lettuce came out a head, the water kept on running and the tomato tried to ketchup.

## Junior Carnival

The night of January 4th found the Archer school house filled with activities and decorations. It was the night of our Coney Island Carnival.

The many ornamental hats, sold by Marilyn Moore, produced the carnival spirit.

Best selling booths were the Fishing Pond, operated by Bill Luebbe and Perry Foulk, and the Grab Bag, operated by Henrietta Boelts.

In one corner was the World's Largest Baby, Elnora Sinsel, and in another a "Hit Me" game, where Sharlene Van Pelt gave ornamental figurines for throwing a ball through the mouth of a flopper girl.

Almost everyone went to see the lady wrestlers, Patricia Luebbe and Janet Foulk, as they threw each other down at the count of the referee, Kenneth Luebbe.

There was an overflowing business to see the Hootchi-Kootchi dancers: Janice Moore, Karen Krance, and Shannon Zichek.

The Fun House and Tunnel of Love supplied entertainment for everyone who went through them. Merle Weller, Kenneth Luebbe, and Bill Shelton operated these with the help of ticket taker, Patricia Miller.

Films of various subjects were shown by Mr. Zichek in his spare time. These were thoroughly enjoyed.

Money could be made by throwing darts in Joanne Bass' booth.

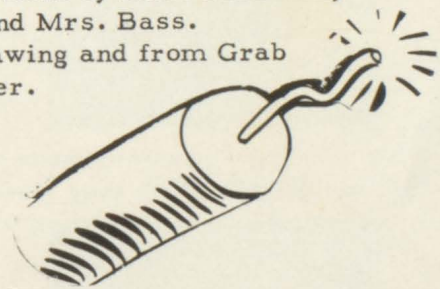

Kisses were obtained in the Kissing Booth which was operated by Jane Shelton with Ruth Moore as ticket taker and seller.

Bonaparte, a ground hog, the school hare, and such other attractions were witnessed in the Curio Shop operated by Carol Hansen.

The Gypsy Fortune Teller, Elaine Krance, told some weird tales of people's life happenings.

To end the evening lunch was sold in the Gypsy Tea Room by Mrs. Blauhorn, Phyllis Coleman, Shirlee Moore, Mrs. Dorothy Zichek, and Mrs. Bass.

Prizes were won by various persons at the grand drawing and from Grab Bag. These were donated by the business places of Archer.

## *The Sophomores-Active and Ambitious*

The Sophomores have played an active part in the activities of the school. First was the Freshmen initiation and the party that night. Since then, they have had a theater party and a class play.

### *Sophomore Class Play*

The Sophomores, with the help of the Freshman class, gave the 3 act comedy, "The Absent-Minded Professor", on February 13 and 14 and again on February 19. \$60.10 was cleared on these three presentations, despite inclement weather.

Bill Shelton had the lead part, portraying the role of the absent-minded professor.

### *Freshman Initiation*

The Freshmen were initiated September 11 and 12 by the Sophomores. The night of the 12th they were given a party to which the rest of the high school was invited. The Freshmen were made to do many "crazy" things throughout the initiation.

### *Movie Party*

On the night of November 28, 1951, the Sophomores entertained the high school at a theater party at the State Theater in Central City. We saw "Undercover Girl." After the show they took us to Woody's Cafe to eat. Everyone had a very enjoyable time.

### *Smile Awhile*

Elnora: My Dad gets shot six times a day. Once with penicillin, next with-----  
Kenneth: What gauge do they use?

## *The Freshmen-Bewildered But Eager*

Six bewildered Freshmen entered high school September 3, 1951, with an eerie feeling of initiation hovering about them. However, they survived it and went on to acquaint themselves with high school ways. They concluded their activities by giving the rest of the high school a party.

### *Chuckles*

Elnora: "What is the best exercise for reducing?"

Carol: "Just move the head slowly from right to left when asked to have second helping."

Mrs. Bass: "Which pine has the longest and sharpest needles?"

Phyllis: "The porcupine!!"

Mr. Zichek: "Why are the medieval centuries called the dark ages?"

Patricia: "Because it was knight time."

Darlene: "I feel like 2 cents."

Janet: "Well, everything is higher these days."

## Kamra-Klicks of The Initiation

ACTIVITIES

## ***School County Officers***

County Government Day was held on February 21, 1952. There were just enough offices for everyone to have one in the Sophomore, Junior and Senior classes by allowing us to have two County Clerks.

Our officers were Shirlee Moore and Jane Shelton-County Clerks; Merle Weller-County Surveyor; Patricia Miller-County Judge; Joanne Bass-County Attorney; Elaine Krance-County Superintendent; Ruth Moore-Clerk of the District Court; Bill Luebbe-County Sheriff; Marilynn Moore-County Agent; Sharlene Van Pelt-County Assistant Director; Bill Shelton-County Treasurer; Kenneth Luebbe-County Assessor; and Perry Foulk-County Supervisor.

Upon arrival at the County Courthouse, we became acquainted with our respective offices. At noon we had a very nice lunch, after which we reported back to the various offices. Later we went to the Courtroom where we were shown how a trial takes place. At 4:30 we were dismissed to go home.

## ***Girls' Volleyball Team***

Our volleyball team was organized the early part of this year. At the organization meeting we decided to wear red shorts and plain tailored white blouses.

Our first game was a practice game played December 15th with Central City. We lost that game and also the one played with Hordville on January 29th. At this writing we have two games scheduled with Chapman and Palmer, March 5th and 11th respectively.

Plans are under way to organize a softball team.

## ***Food Sale***

The girls of our volleyball team held a bake sale on October 19th. With the help of their mothers, the girls furnished the food that was sold for a total of \$25.

## ***Christmas Party***

On December 21st the teachers of the high school gave a Christmas party for the high school students. The party was held in the afternoon. For entertainment Mr. Buren Wells showed films of his trip to Yellowstone National Park. The gifts were passed following the showing of the films. Then a delicious lunch of cake, ice cream and pop was served. After the lunch we were dismissed for a week's vacation.

## ***Magazine Drive***

The grammar room and high school sold magazines from January 9th till the 23rd. We sold \$315.80 worth of magazines. The participating persons won prizes for their efforts. The school's share of money was placed in a fund for a 16 mm. projector. To conclude the sales we had a party. The grammar room furnished the entertainment and the high school served as refreshments, homemade ice cream, cake, cookies, and cocoa.

## ***High School Play***

The high school presented a double feature comedy the nights of November 13th and 14th, the first comedy being "The New Minister's Wife," and the second one, "His Butler's Wife." From these comedies we cleared \$65. for our athletic fund.

## ***Free "Cokes"***

On September 25th the school was treated to free "cokes" given to us by a representative of the Grand Island Coca-Cola Bottling Company.

## Grammar Room

On the first day of school we were happy to welcome the new fifth graders into our room and also three new students-Dick Krance, Grade 5, Monte Voss, Grade 6, and Larry Krance, Grade 7. We had an enrollment of ten boys and six girls.

We enjoyed our first vacation while the teachers went to convention on October 25 and 26.

Our Hallowe'en program, prepared jointly with the Primary Room, was given on October 23. Songs, plays, rhythm band numbers, and a drill were presented before a large audience. Lunch and a social period followed the program.

A Hallowe'en party was given at the schoolhouse on October 30. We wore costumes which were judged by the group. Nancy Moore won first place with her hillbilly garb; Ernest Shelton, as a monkey, and Stanley Sinsel, attired as a bum, placed second and third. The evening was spent playing appropriate games and performing stunts. While some bobbed for apples, others pursued apples hanging on a string. Lunch and favors were furnished by our teacher.

This year we sold magazines and Christmas cards. These earnings, added to money saved from former projects, were pooled with funds earned by the Primary Room. A slide-strip film projector and a screen were purchased with the money.

The use of film strips has furnished both rooms with much new and interesting information.

Leola Sinsel and Nancy Moore were elected to decorate the Christmas tree. Our Christmas party was held on December 21.

We selected Nancy Moore and Stanley Sinsel to make our valentine box. Our party was held on February 14. Games, lunch, and treats were enjoyed. Everyone received many valentines.

The Easter Rabbit came early this year because we had no school on Good Friday.

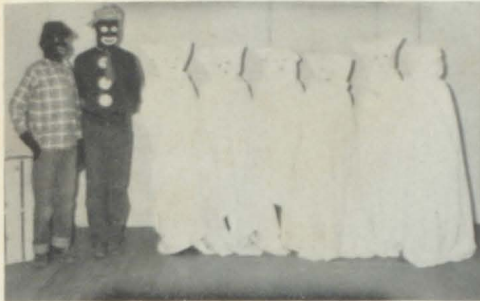

Very soon the time for final exams came. The school year was closed with the annual picnic.

## Primary Grades

### ***Kindergarten Grades***

School began on September 3, with an enrollment of 16 in the Primary Room. The beginners were Janice Hansen, Linda Kucera, Janice Moore, Kathy Crosby, and Vance Coleman. On October 1, David Frazier came to join the beginners.

On October 23, we joined the Grammar Room in giving our Hallowe'en program. The following Thursday and Friday we enjoyed a two day vacation while our teacher attended Teachers' Convention. Then we had our pictures taken by a photographer. We closed the month of October with our annual Hallowe'en party on October 31.

In November Kathy and Ernest Crosby moved to Texas. Later that month we had another two day vacation for Thanksgiving.

In December we had our Christmas party and exchange of gifts.

On February 25, David Brink moved into the community and entered school as a beginner.

In April we had an Easter party and then began looking forward to the last day of school, May 16.

### ***Humor, The Best Medicine***

Larry: "Why are you jumping up and down, Johnny?"

Johnny: "I took my medicine and I forgot to shake the bottle."

Paul M.: "Hooray!" Teacher said we'd have a test today, rain or shine.

Roger: "What's so good about that?"

Paul: "It's snowing."

L i t t l e

M o r o n

S t o r i e s

A little moron went to a show. The usher asked him, "Would you like to sit down front?" The little moron answered, "I'm sorry, sir, but I don't bend that way."

Do you know why the little moron took some hay to bed with him? Because he wanted to feed his nightmare.

What did the little moron do when he was told he was dying? He moved into the living room.

There were two little morons who were waiting for a streetcar. One asked the other if he thought the car had already gone. "Yes, it must have gone," the other exclaimed. "There's it's tracks!"

Little moron's wife sent him down town after a bucket of ice. He came back with a pail of water. "I got this for half-price because it was melted."

Why did the little moron go to the lumber yard? To look for his draft board.

Why did the little moron lock his papa in the icebox? Because he wanted cold pop.
